

## **EPDM Installer Training**

Plytech UK Ltd have been supplying to the roofing trades via merchants and specialist distributors since 1999. We offer a number of products for flat and low pitch roofing solutions.

Our installer training will be carried out using purpose built indoor roofing rigs, to demonstrate all aspects of the EPDM and Quicktrim systems. We cover residential installation techniques for EPDM.

Training will be carried out at our offices:

**26 Marsh Green Road West, Exeter. EX2 8PN**

**OR**

**At your local Plytech EPDM stockist: \_\_\_\_\_**

All tools and materials will be provided for the installers' use during the course.
